Dear Community Partners:

For more than half a century, the Centre County Council of Human Services has acted as the centralized communication hub for health and human service agencies, not-for-profit organizations, faith-based organizations, and interested individuals. The Council promotes partnership, interagency cooperation, social entrepreneurship, and avoidance of duplication of services to our shared community. In fact, the Council is a model to other Pennsylvania counties as the social service sector looks to become as efficient and cost-effective as possible.

The Council offers the following core programs:

- *Education and Training*
- *Robert T. Ott Seed Grant*
- *Monthly interagency meetings*
- *Monthly newsletter*
- *Human service reference directory*
- *Rose Cologne Volunteer Dinner*

We are pleased to share that this year's Rose Cologne Volunteer Dinner will be held on Thursday, April 27, 2023 at The Penn Stater. This premier volunteer recognition event pays tribute to volunteers who work to benefit our shared community. In 2022 we honored volunteers from 22 agencies across the county. We hope you will consider sponsoring this important event and help us recognize our county's volunteers. Sponsorship allows the Council to help defray the cost of organizations and volunteers attending this event. Please see the attached flyer for sponsorship levels and benefits. We, of course, are happy to speak with you further about other recognition and sponsorship opportunities to best match your interest and generosity.

Kind regards,

Melissa Bottorf
President
